

**British German Shepherd Dog Training Club Regional Show**  
**David Watkins Memorial Show**  
**Sunday 6th October 2024**  
**Judge : Harald Hohmann (SV)**

**Class : 1A : Minor Puppy Bitch Short Coat**

**VP 1** Dodds & Swift **Monksley Questa** (Ch Blerio Bezique at Mascani x Monksley Fendi)

Very good type, very good expression, very good head, very good colour, very good overall proportions, good hind angulation, stands straight in front, moves a little close behind but firm in the hocks, moves straight coming, very good gait showing very good harmony. Well presented.

**VP 2** Foran **Irma vom Externstein** (Diego v Externstein x Fabienne vom Externstein)

Started in first place because of her very good structure, big, very good type, very good proportions, very good head, very good pigment, high withers, straight back, good length of upper arm but a shade steep, good back angulations, the croup is a little steep, stands straight and moves straight in front, moves a little loose behind. Ear needs to firm but there is time for that.

**VP 3** Roe **Cara v Haus Garyn** (Elton v Blankanera x Rover du Val D'Anzin)

Above medium size of correct type, very good forehead and mask, high wither, very good top and underline, the forehead is a little steep, the upper arm should be longer, very good back angulation, moves narrow behind, straight coming, good gait, could be a little darker in colour on the inside areas.

**VP 4** Miller **Arnsberg Lizzie** (Carl v d Zenteiche x Arnsberg Daffney)

Big of slightly stretched proportions, good bones, good front angulations, stands straight in front, very good back angulations, the croup is a little short and steep, firm in hocks, during gaing becomes a little flat over the withers, the back could be firmer but this should change with age.

**VP 5** Cassidy & Farley **Nikonis Rita** (Ch Blerio Bezique at Mascani x Nikonis Patzi)

Very good type, good colour, slightly stretched proportions, the upper arm is a little short, the forelegs could be a shade longer and the wither a little higher, very good back angulation, stands straight in front, moves a little narrow away but firm in hocks, on the move the back becomes somewhat flat.

**Class : 1B : Minor Puppy Bitch Long Coat**

**VP 1** Asher **Solophina Hermione** (Conbhairean Vincenzo x Noblesse v Bad-Boll)

Very good type, very good colour with good mask, the ears are a shade wide set, high withers, slightly steep croup, good front and very good back angulations, very good chest proportions, the pasterns are a shade steep, stands straight and moves straight in front, moves a little close behind, very good gait. Presents very well.

**VP 2** Shaikh **Hausruma Adhara** (Knut v d Wilden Dreizehn x Hausruma Auroura)

Very good type, high withers, good length of foreleg, very good front and back angulation, stands and moves straight in front, very loose in hocks and this is the reason she was placed second as these need to firm, good gaing.

**VP 3** Evans **Delmyfev Belle** (Trimikas Oslo x Bygoly Hunstanton)

Middle size of good type, good colour, high wither but raises back somewhat, steep upper arm, very good hind angulation, stands straight in front, the pasterns are steep, moves straight away but a little wide coming, could use more forward reach when gaing.

**VP 4** Witomska **Etilly Iva Kristo Team v Monspeedo** (Fred Sak Land x Riva Iva Kristo Team)

Sable female of medium size, normal withers, straight back, short upper arm, good croup, very good rear angulation, her condition is a little heavy and should be more firm, stands and moves straight in front, moves almost straight behind, slightly falls on the forehead during gaing, training should help with this.

**Class : 2A : Minor Puppy Dog Short Coat**

**VP1** Rogerson **Siskiva Mr Brightside** (Finleric Lugo at Siskiva x Barsha Ornah at Siskiva)

Very good type, good sized male, slightly too stretched proportions, very good expression, the head needs to develop a little more, high withers, straight back, good length of upperarm, very good back angulation, little short in croup. stands straight in front, good gaing. This dog looks promising for the future.

### **Class : 2B : Minor Puppy Dog Long Coat**

**VP1** Hennessy **Vylano Oban** (Angus von der Hollerecke x Vylano Trouble)

Very good masculine type, good head, normal withers, straight back, good back angulation, the upper arm is a little short and steep, the croup is short, stands straight in front but moves a little wide coming, moves almost straight behind, good gaiting.

### **Class : 3A : Puppy Bitch Short Coat**

**VP1** Osmann & Salaman **Umina vom Fichtenschlag** (Schiwago von Bad Boll x Indien vom Fichtenschlag)

Very good type, absolute correct chest proportions very good front and back angulation, very good overall firmness, stands and moves straight in front, moves slightly close away but firm in hocks, very good spacious and balanced gait.

**VP2** MacKenzie **Mazarin Star** (Ch Reno De La Petite Laeticia x Rafaye Snowqueen)

Very good type, good colour, correct chest proportions, very good front angles and deep back angles, stands and moves straight in front, moves very close behind, hocks need to firmer, very good spacious gait.

### **Class : 3B : Puppy Bitch Long Coat**

**VP1** Guy **Marinita Niki Wesensbeurteilung** (Calvados vom Holtkamper Hof x Brineack Isha von Marinita)

High withers, ears are a little wide set, tendency to raise back somewhat, the upper arm is a little short as is the croup, very good back angulation, the under chest could be longer, stands and moves straight in front, moves a little close behind, shows a powerful gait.

**VP2** Gill **Ulla vom Pender** (Elton vom Blankanera x Tequila von Pender)

Big female with very strong head, the lips are loose, strong bones, high wither, straight back, good croup, very good back and front angulation, stands and moves straight in front, moves a little close behind, displays a good gait, on the border of being too masculine.

### **Class : 4A : Puppy Dog Short Coat**

**VP1** Hill **Obi av Rostadgarden** (Zaron dei Murolo x Quira di Casa Massarelli)

Big, very good type, high withers, good topline, good front angulation and deep back angulation, good proportions especially of the chest, moves a little wide in front and close behind, good gait.

**VP2** MacKenzie **Mazaroko Ice** (Ch Reno de la Petite Laeticia x Rafaye Snow Queen)

Middlesize, masculine head, very strong bones, good proportions, good withers, straight back, steep but long upperarm, the croup is short, deep back angulation, good gait.

**VP3** Rybak **Niko v Konstans** (Atikona Dondos x Vomconstanz Donna)

Big, strong, very good type, good top and underline, very good front and back angulation, stands and moves straight in front, moves close behind and also could be firmer in hocks, shows looseness over the back and should be more fluent in gait.

### **Class : 4B : Puppy Dog Long Coat**

**VP1** Guy **Marinita Neo Wesensbeurteilung** (Calvados vom Holtkamper Hof x Brineack Isha von Marinita)

Big with masculine appearance, very typey with very good expression and attitude, very good head, very good over and underline, high wither, straight back, good upper arm, correct proportions, good croup, very good back angulation, moves straight in front and behind, very good gait reaching and driving well.

**VP2** Wilson **Stelainros Meister** (Paluka Valco x Stelainros Schnucki)

Big, very good colour, very good mask, correct chest proportions, slightly short upper arm, good back angulation, stands and moves straight in front, moves a little close behind, tends to raise back when gaiting.

### **Class : 5A : Junior Bitch Short Coat**

**VG1** Osmann & Salamon **Rajna vom Fichtenschlag** (Reno vom Angelius Team x Indien vom Fichtenschlag)

Very correct female, very good head, very correct proportions, absolute correct angulations in the front and back, stands and moves straight in front, moves a little close away but very firm in hocks, displays very good movement.

**VG2** Keen **Clokellys Dolce Far Niente** (P'Yanki du Val D'Anzin x Clokellys Ellie)

Very good typey female with good pigment and colour, very good expression, very good proportions, very good hind angulation, the upper arm is long enough but could be a little better angled, stands and moves straight in front, moves a little close behind, very good gait.

**VG3 Ingham Paluka Bali** (Promo vom Osterberger-land x Paluka Thalia)

Dark coloured female with good expression, normal withers, straight back, short croup, the upper arm should be longer, correct chest proportions, very good back angulation, stands and moves straight in front, little close behind, tends to slightly flatten during gaiting.

**VG4 McGrath and Boyd Mascani Milan at Howlinwolf** (Blerio Bezique at Mascani x Margman Whitney)

Middlesized, stretched, the withers are a little flat, the upper arm should be a little longer, good back angulation, stands and moves straight in front, close behind, tends to flatten during gaiting.

**VG5 McGough Xibor Coco** (Vesco vom Radhaus x Xibor Emma)

Big female of good type, good colour, deep under chest, slightly short upper arm, straight and moves straight in front, moves almost straight behind, the forehand needs to be more free when gaiting.

**VG6 Lawrence & Langar Berggeist Ace WB** (Al Pacino vom Peiner Burgpark x Kala vom Weinbergblik)

Grey female, very nice head with good mask, stretched, high withers, steep upperarm, short underchest, short croup, good back angles, moves straight in front and behind, becomes flat on the move.

**G1 McIver Berggeist Ambra** (Al Pacino vom Peiner Burgpark x Kala vom Weinbergblik)

Grey female, big, stretched, flat withers, short and steep upperarm, the shoulder should be more closed, short croup, good hind angulation, straight behind, becomes flat during gaiting.

### **Class : 5B : Junior Bitch Long Coat - Non present**

### **Class : 6A : Junior Dog Short Coat**

**VG1 Sygrove Tremella Xellor WB** (Reno von Angelius Team x O Dja Dja du Domaine Parc)

Good type, masculine head, upper lips a little loose, high withers, good front angulation, good chest proportions, steep slightly short croup, very good back angles, moves almost straight in front, a little close behind, presents very good movement at all speeds.

**VG2 Keen Clokellys Ducati** (P'Yanki du Val D'Anzin x Clokellys Ellie)

Big, masculine, very good expression, very good proportions, high withers, straight back, short croup, good front and very good back angulation, stands straight in front but moves a little wide, moves almost straight behind, could be trained in presentation a little more.

**VG3 McGough Rafaye Kanto** (Reno von Angelius Team x Rafaye Angel)

Very typey male and typical of the sire, high wither, straight back, correct proportions, very good front and rear angulation, good croup, almost straight away and a little wide coming, very good gait but could be a little firmer in the back.

**VG4 Turner Rafaye Rikkor at Tasella** (Vesco vom Radhaus x Sadira Remi)

Upper middle size male with masculine head, the ears are a little wide set, normal withers, straight back, short croup, deep back angulation, the upper arm is long enough but should be better angled, close behind and wide in front, good movement.

### **Class : 6B : Junior Dog Long Coat**

**G1 Raza Bossenburg Boss** (Bohun z Heydlowego Wzgorza x Bajila Crezo Grande)

Masculine head, very good pigmentation, slightly stretched male with normal withers, the front legs are a little short, short upper arm, deep chest proportions, deep back angulation, short croup, would benefit from a little more socialisation.

### **Class : 7A : Yearling Bitch Short Coat**

**VG1 Pegg Dahlmann Xamira** (Gayvilles Vopus x Dahlmann Helena)

Big absolutely correct female, very good head, correct proportions and correct angulations front and back, stands and moves straight in front, stands and moves correct behind, could be a little better trained in presentation.

**VG2 Miller Arnsberg Jessie** (Ferrari von Krishoft x Arnsberg Daffney)

Correct size female with dark pigment and good head, normal withers, the upper arm is long enough but should be better angled, short croup, very good back angulation, moves straight behind and a little wide in front, good gait and good presentation.

### **Class : 7B : Yearling Bitch Long Coat**

**VG1 Dickie Kleehuegel Helga** (Bazooka de Casa Celta x Naike di Casa Mary)

Big, good head, the upper arm could be a little longer, good chest proportions, very good back angulation, the forelegs could be a shade longer which is evident when gaiting as she becomes slightly flat on the move and could use a little more forward reach.

### **Class : 8A : Yearling Dog Short Coat**

**VG1 Williams Sting di Casa Massarelli** (Grimm della Valcuvia x Opera di Casa Masarelli)

Big, good coloured, wonderful head, masculine, good correct upper arm, high withers, good top and underline, deep back angulation, a shade close behind but with very good firm hocks, carries himself very well and shows a very spacious gait reaching and driving well.

**VG2 Roe Anton vom Haus Garyn BH** (Grimm della Valcuvia x Rover du Val D'Anzin)

Very good sized masculine male, good type, high withers, good top and underline, good front angulation, deep back angulation with firm hocks, a little wide in front, good gaiting but slightly flat on the move.

**VG3 Pegg Dahlmann Xander** (Gayvilles Vopus x Dahlmann Helena)

Very big, masculine, strong bones, slightly stretched with high withers, correct upperarm, straight back, short croup, deep back angulation, stands straight in front, moves close behind and wide in front, good gaiting with good presentation.

### **Class : 8B : Yearling Dog Long Coat**

**VG1 Witomska Bentley Olympus Family vom Monspeedo** (Fajter z Trojanskiego Lasu x Gabi von Maszhaus)

Over medium size, stretched proportions, good withers, straight back, slightly short underchest, very good back angulation, stands straight in front, moves almost straight behind, croup could be a little longer and the pasterns could be a little stronger, good gaiting.

### **Class 9 : Junior Handing 6-11 years**

**1<sup>st</sup> – Hayley Oilanka**

**2<sup>nd</sup> - Alexander Williams**

**3<sup>rd</sup> - Jessica Roe**

### **Class 10 : Junior Handing 12 - 16 years**

**1<sup>st</sup> – Alexis Cowan**

### **Class : 11A : Adult Bitch Short Coat**

**VG1 Webb Billie vom Huhnegrab WB** (Ibor vom Huhnegrab x Efra vom Huhnegrab)

Over middle size of good type and very good colour especially the mask, upper arm should be a little longer, correct chest proportion, normal withers, straight back, very good back angulation, short croup, stands and moves straight in front, a little close behind, produces a very strong gait and presents herself well at all times.

**VG2 Hutchinson Zandamor Gamba BH WB** ( Reno von Angelius x Norma du Val D'Anzin)

Big female with a lot of expression, very good angulation of front and back, correct proportions, not in the best condition today but a very correct female who shows very good breeding prospects and comes from a litter of very good sisters. Good gaiting at all speeds.

**VG3 Pegg Dahlmann Ulla** (Gayvilles Vopus x Nani vom Cinderhof)

Over middle size with good expression and colour, slightly stretched, normal withers, straight back, the upper arm whilst well angled should be a little longer, almost straight away, stands and moves straight in front, very good back angles, should be more free in the forehand at a fast gait.

**VG4 Guy Marinita Kayleigh** (Sasko v d Zenteiche x Anya-Palme v d YBajo Hoeve)

Big, close to the border of being too big, very good type, correct proportions, good angulation front and back, stands and moves straight in front, a little close behind, good gaiting and presents well but did not show as well due to over attraction, would make a better place otherwise.

**VG5 McGrath & Boyd Mascani Denva** (Antilli Odin x Margman Whitney)

Flat withers, short croup, good back angulation, steep and short upper arm, short under chest, almost straight behind away and wide in front coming, becomes a little flat and should show more reach when gaiting.

### **Class : 11B : Adult Bitch Long Coat**

**VG1 Gray BRG Gold Medal Kaizuka Ausha** (Chili Della Valcuvia x Hausmuller Chianti)

The most correct female in the class, correct proportions particularly leg proportions, correct high withers, the upper arm is a little short, straight back, a little steep in croup, stands straight in front, good back angulations, moves a little wide coming, very good gait.

**VG2 Turner Impranah Kyogo ZAP** (Jack von Fenrir x Modena von Arlett)

Big female of very good type, good mask, good colour, very good expression, high withers, the upper arm could be longer, very good back angulation, moves a little close behind and a little wide in front, becomes a little flat when gaiting.

**VG3 Shaikh Hausruma Aurora ZAP** (Dingo di Casa Mary x Giantlands Pretoria vom Hausruma)

Very good type, good top and underline, a little loaded in the chest, very good back angulation, short upper arm, a little short in leg proportion, moves very close behind and wide in front, the front reach should be more when gaiting.

**VG4 Pankiewicz-Zelanzinska Lala Mel Hof Wolfempire BH** (Eto Mel Hof Wolfempire x Okinawa Asarko Lordana)

Black, over medium size, very feminine expression, good proportions, good bones, high withers, short upper arm, straight back, short croup, very good back angulation, moves a little close behind and straight in front, gets a little flat when gaiting and the forehand should be more free.

### **Class : 12A : Adult Dog Short Coat**

**VG1 Keen P'Yanki du Val D'Anzin** (Max du Val D'Anzin x Marseillaise du Val D'Anzin)

The clear winner of the class, big dog with a very good coat and rich colour, very good head, correct proportions, correct angulations, high withers, straight back, little steep croup, stands and moves straight in front, moves a little close behind but firm in hocks, presents well at all speeds.

**VG2 Rogerson Finleric Lugo at Siskiva** (Ch Kelnik Exose x Ardenburgh Pippi)

Masculine, stretched, good top and underline, slightly short croup, very good back angulation, the upper arm should be more angled, deep under chest, moves straight front and behind, becomes slightly flat during gaiting,

**VG3 Sheffield Waardes Yankie** (Sasko von der Zenteiche x Jubredo Aura at Waarde)

Big, pretty masculine, very good colour, stretched, very good angulation, little deep in chest proportion, stands and moves straight in front, close behind and not firm, falls on the forehand and becomes tired likely because of depth proportion.

**VG4 Diplock Lago vom Huhnegrab ZAP** (Quantum v Schonen Rosen x Orchidee vom Huhnegrab)

Good coloured male whose head could be more masculine, normal withers, straight back, steep upper arm, short steep croup, good back angulation stands and moves straight in the front, close behind, good gaiting, presented well.

**G1 van der Heijden Inuhaus Ineo WB** (Catto Juttnerax x Team Gamedog Amy)

Black, stretched, should be more angulated front and back, flat withers, short steep croup, short steep upper arm, moves straight behind and wide in front, needs more freedom in gaiting and present more attitude.

### **Class : 12B : Adult Dog Long Coat**

**VG1 Britnell BRG GM Blaven vom Wanakon** (Grizzly v Herbramer Wald x Zinderella v Lamorak)

Big, very correct dog, very good pigment, very good proportions and angulations in the front and back, stands and moves straight in front, moves almost straight behind, this is a wonderful dog with excellent movement and presents well at all speeds.

**VG2 Gray Kaizuka Bomber** (Jack von Fenrir x Kaizuka Ausha)

Big, very expressive, high withers, straight back, the upper arm could be a little longer, good chest proportions, little steep croup, very good back angulation, moves a little close behind and a little wide in front, the front reach could be more extensive, he is an absolute eye catcher but a little too big.

### **Class : 13A : Working Adult Bitch Short Coat**

**Ex1 Asher BRG GM Noblesse von Bad-Boll Kk1** (Falco v Farhantal x Prisca von Bad-Boll)

Very correct proportions and very correct front and back angulations, colour could be darker, high withers, stands and moves straight in front, a little close behind, shows excellent extensive movement and presents well at all speeds.

**Ex2 Stephens Ardenburg Urla IGP1 Kk** (Remo v Fichtenschlag x Ardenburg Holly)

Big female, normal withers, the upper arm is a little short, very good back angulation, a little deep underchest, good croup, stands and moves straight in front and behind, slightly falls on forehand and raises back a little when gaiting.

**Ex3 Cassidy & Farley Magic vom Herbramer-Wald IGP2 Kk1** (Emanuel di Casa Baggiato x Liana vom Fichtenschlag)

Grey female, good head, good mask, slightly stretched, the upper arm should be longer, good leg proportions, good chest proportions, very good back angulation, stands and moves straight in front, almost straight going, becomes a little flat when gaiting. Well presented.

**Ex4 Webb Jetta vom Huhnegrab IGP1 Kk1** (Ibor vom Huhnegrab x Efra vom Huhnegrab)

Very correct female, good mask, good proportions, high withers, good upperarm, very good back angulation, stands and moves straight in front, moves close behind, displays very good movement on the lead, would be in second place but let herself down by her performance in the off lead gaiting.

**VG1 Weller Delta von MaKeRe IGP3 Kk1** (Max vom Waldhauser Schloss x Yaffa von MaKeRe)

Black bi-colour, middle size, very stretched, steep and short upperarm, short underchest, flat withers with a slight nick behind, the pasterns should be firmer, good back angulation, short croup, moves straight behind, gaiting should be more extensive.

### **Class : 13B : Working Adult Bitch Long Coat**

**Ex1 Raza Royal du Val D'Anzin IGP2 Kk1 Lbz** (Wacron del Rione Antico x Princess dei Murolo)

Over middle sized female of very good type, very nice colour and good pigment, good top and underline, short upperarm, very good back angulation, good leg proportions, stands and moves straight in front, moves almost straight behind, very good gaiting and presented very well.

**Ex2 Lister Fenya vom Springberg IGP1 Kk1** (VA2 Quantum vom Schonen Rosen x Riska vom Springberg)

Middle size of very good type, very dark mask, correct proportions, high withers, upper arm could be a little longer, very good back angulation, stands and moves straight in front, moves a little close behind, strong bones, not in coat condition today, good gaiting.

**Ex3 Landgren Yakasimba Alohomora IGP1 Kk1** (Zitan vom Repetition x Que Sera Sera X-Men Storm)

Big and on the border of being too big, nice correct type, high withers, short upper arm, steep short croup, when gaiting becomes flat over the withers and lifts her back as a result of a truly short upper arm.

**VG1 Walker Yeager z Lomeckehe Polesi IGP1 Kk1** (Red Bull ze Stribrneho Kamehne x Larra z Lomeckehe Polesi)

Grey, stretched, short upper arm, the under chest should be longer, very good croup, very good back angulation, stands and moves straight in front, becomes flat on the forehead when gaiting also could use more extension in the front.

### **Class : 14A : Working Adult Dog Short Coat**

**Ex1 Yaqoob Tornado du Val D'Anzin IGP1 Kk1** (Reno von Angelius Team x Princess dei Murolo)

Big, stretched, masculine, very good front and back angulations, stands and moves straight in front, moves a little close behind, very good gaiting, firm throughout although could be a shade firmer over the back.

**Ex2 Davies Ch/BRG GM Reno de la Petite Laeticia Kk1** (Nero vom Ghattas x Nivess de la Petite Laeticia)

Over medium size of very good proportions, masculine enough, very good back angulation, stands and moves straight in front and behind, the croup could be a little longer, presented well.

### **Class : 14B : Working Adult Dog Long Coat – No Entries**
